

Re: Mr Dennis Greathurst

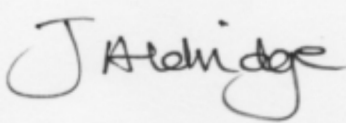

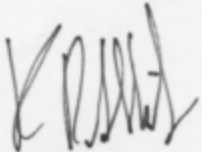

To whom it may concern:

Mr Greathurst has recently carried out some work for us which consisted of sanding & sealing floorboards in a property circa 1898.

The work has been carried out to a very high standard & was completed in the timeframe & at the price we were quoted.

Mr Greathurst has proved to be a trustworthy & professional tradesman & we have no hesitation in recommending him. In fact, we intend to contact him again in the very near future with a view to having carpet & laminate flooring fitted.
